Dear Alex,

Thank you for your quick reply concerning our agreement.

In accordance with paragraph 14 of the November 24, 2010 exchange agreement between UNM and EGE, I am writing to express EGE's consent to renew the exchange agreement for another five-year term (beginning on November 24, 2015) with no changes to the text.

Have a wonderful day.

Best regards,

Marleen

Hi Marleen,

Our exchange agreement can be extended by mutual consent:

In accordance with paragraph 14 of the November 24, 2010 exchange agreement between UNM and EGE, I am writing to express UNM's consent to renew the exchange agreement for another five-year term (beginning on November 24, 2015) with no changes to the text. Please let me know in your reply whether EGE also consents to this renewal as described. If so, this email correspondence will document this renewal.

Thanks,

Alex

Hi Marleen,

I've forwarded your message to our agreements coordinator Daniel Ortega, who can explain the process better than I. We also wish to renew the agreement.

All the best,

Alex

Subject: Agreement UNM-EGE

Dear Alex,

I hope you are doing well.

Further, I have a question about our agreement but I am not sure who to contact within the University of New Mexico.

In the agreement, which was signed on the 8th of November 2010, it states that: *“This agreement will come into effect from the date of signature by both parties and will remain in force for five years and **may be renewed by mutual consent**. The agreement may be terminated by either party provided six months written notice is given to the other party”*.

As we will receive one of your students, Justin Cordova, in the fall semester of 2015, I wanted to make sure that everything is ok with our agreement. Do we need to renew the agreement or is it automatically renewed? This is not clearly stated in the agreement.

Thank you for letting me know.

Best regards,

Marleen

Objet : Housing and documents for Ranja

Hi Marleen,

Our student Ranja Andriamanana is planning on leaving for Morocco in two weeks but her visa is being held up by the documents that are supposed to come from EGE. She needs EGE's attestation, which was promised to her three weeks ago but is apparently still waiting for a signature, and she needs confirmation that she will be staying in EGE accommodation. She has enquired with EGE about the procedures for paying the deposit for the residence, if a deposit is necessary before she arrives, but she has received no response. Could you please look into this situation and get back to me as soon as possible with a firm answer for when we can expect these required documents to arrive? Thanks, I appreciate it!

All the best,

Alex
